

## Links from Digitizing History Presentation on 7-28-15 by Denny Lammers

Digitizing methods historical library

<http://archivehistory.jeksite.org/index.htm>

Cellulose Nitrate

<http://cool.conservation-us.org/byauth/messier/negrmcc.html>

<http://tinyurl.com/ourw97l>

Or if one doesn't like to use "tinyurl", one can use <http://www.nedc.org>

then click "preservation leaflets" upper left on page  
then "chapter 5.1" in middle of page.

Tutorials on photo repair

<https://www.youtube.com/>

place "photo repair photoshop" in search bar.

<http://www.newtonplks.org/>

click "lynda.com" under "explore"

Susan Bartel will provide the instructions to log in using the library's subscription.

There is an entire photo editing section

(from Susan ... follow this link for Lynda.com via your NPL card # and PIN #:

<https://www.lynda.com/portal/sip?org=newtonplks.org>)

Used Camera Gear
